

Climate Strike Field Trip

Child's Name _____

Children from the Neighborhood Art House will be participating in a **Climate Action Strike at Perry Square on Friday September 24th**. Young people all over the world are calling on people of all ages to recognize our climate emergency. Our students at the Art House will join Greta Thunberg and other young people across the globe who are fighting for climate action. Sister Pat and the Environmental classes are organizing the field trip and they will be joined by other teachers and classes. Masks will be required.

We will leave the Art House at 3:15pm and walk to Perry Square. We will join young people and adults at Perry Square, where we will ask City, County, State and Federal Governments to increase green buildings, green infrastructure and green energy in our communities. We need to make our voices heard, this is a Climate Crisis.

Please join us at Perry Square form 4 to 5pm on Friday the 24th.

We will return to the Art House in time for dismissal at 5:15pm.

Please sign the permission slip below and return it by Wednesday September 18th.

Thank you.

Sr. Peg, Program Director and Sr. Pat
