2015 marks the 20th year that the Neighborhood Art House has been reaching out to at-risk children through after-school and summer programming in all modes of performing and literary arts. During this time over 10,000 children have been served and many of these children have played their way to greater self-expression. 

Now, it’s time to celebrate!

WHO? You! Current and former students and teachers, all whose insight, encouragement, and hard work brought the Art House into being; all who have supported the Art House with their time, service, financial and material contributions; all our neighbors and friends.

WHAT? An old-fashioned ice-cream social featuring entertainment by Tennessee Black Porth activities for the children and Art House tours.

WHEN? Sunday, July 12 anytime between Noon and 3:00 pm

RSVP? Not required but appreciated!

“Hopefully one day I can have an impact like the Art House had on me and my sister.”

“...the fuel for a bright and enduring future...”

—Sister Mary Lou Kownacki

The Art House children have been very busy preparing to take you for a magic carpet ride through the arts, in addition to the arts that will grace the walls for your purchase consideration. Our children, like the kids in our past, have been preparing “magi- carpet” for all to experience.

The Neighborhood Art House will be well represented at this year’s event by twenty-two children to five art competitions: Presque Isle Women’s Club; Dr. Robert Gueticher Art Show sponsored by the Barber National Institute; All Things in the Water at the Tom Ridge Environmental Center; and the Carrie T. Watson Garden Club’s Flower Show.

We hope you will join us on Tuesday, September 15 to enjoy this special evening co-sponsored by Mary Ricci Dalus and Lynne Elia.

ANNIVERSARY CELEBRATION: Summer 2022
THANK YOU! to these donors and to all of the generous people who have chosen to donate to support our work with inner city children at the Art House.

There was attendance in the air for both the Spring Festival and the Memorial Day Tournament. Forty plus volunteers and neighbors came together to celebrate the opening of the Neighborhood Art House. Artworks were given to the top time runners and walkers in each of 14 age categories.

DORON runners and walkers took off for their 2K or walk through Erie’s beautiful green spaces. Some were working to set new personal records, others were working to improve their own race times. Others were enjoying the experience of variation of ages in a group or simply came to support their friends. Those who worked on the race set-up and clean-up.

Over 400 runners and walkers took off for their 5K run or walk through Erie’s beautiful green spaces. Some were working to set new personal records, others were working to improve their own race times. Others were enjoying the experience of variation of ages in a group or simply came to support their friends. Those who worked on the race set-up and clean-up.

Fruit, juice, snacks and lots of water – just the thing for thirsty and tired runners and walkers.

Eight years ago, the Neighborhood Art House started. Eight years ago, Art House was nothing but a dream. Today, we are proud to announce that we are now a registered nonprofit with our first annual fund drive.

There were a few challenges from the Transportation in our race day, but the 5K was able to be completed within the Art House. Be part of the amazing community-wide effort sponsored by the Erie Community Foundation to support Erie’s nonprofits. Whether you are a regular contributor or have never before made a gift to support our work with children, your donation of $25 or more to The Neighborhood Art House will help provide a safe place for children during these crucial after-school hours.

This year The Erie Community Foundation, Erie Transportation, Erie Insurance, Preeuskie Life and Community First have increased the match pool to $200,000. Help the Neighborhood Art House reach that goal through your contributions.
