

Dear Parent or Guardian,

Welcome to the Neighborhood Art House. We are holding a modified program that provides sufficient space for social distancing. We are keeping with guidelines issued by the Erie County Health Department and the CDC. Please read, sign, and return this agreement to the Art House.

Between 2:30 – 3:15 – Please if your child is a walker or carpool, they will go in through **Door #1**. If there is a likelihood that they have been exposed to Covid-19 they will be sent home. All students must wear masks; disposable masks will be available.

1. Your child will enter door #1 and be directed to their classroom. They will need to use hand sanitizer before entering their art space. Students will practice social distancing (6-3 feet apart) therefore some classes will have 4-6 students. At 5:15, you will pick up your child from door #5. Please stay in the car to pick up your child. If your child is a walker, they will be dismissed from door #5 (door at end of building by garage).
2. Please take all health precautions for your child to protect other Art House students, our staff, and your child. If your child is sick or someone in your household is sick, please keep your child at home. If your child has traveled out of state or out of the country, they must quarantine for 10 days before returning to the Art House. If your child is vaccinated, they may show proof of a negative PCR test result after 3-5 days of being out of state.
3. If your child is at home in quarantine, they cannot attend the Art House until quarantine is complete.
4. If your child has been exposed to someone at the Art House who tests positive and who your child has been in close contact for 15 minutes or more, you will receive a phone call. Your child will need to quarantine at home for ten days if they have symptoms and if they are not vaccinated. Fully vaccinated students need to quarantine for five days. If they are showing symptoms—then they should get tested 5 days after exposure. You are responsible to notify your school if your child is in quarantine.
5. If at any time PA or Erie County guidelines for after school programs change, we will immediately comply. **Keep the upper part of this letter; return the lower portion with your registration form.**

Please initial each statement and sign below and return to the Art House

_____ I understand that my child must follow all the procedures outlined above.

_____ I understand that my child will be removed from Art House classes and sent home if they show any symptoms of Covid-19. These symptoms include:

- Fever of 100 ° F or higher • Loss of taste or smell
- Dry cough, sore throat, shortness of breath, muscle aches and headache,
- Nasal congestion or rhinorrhea, vomiting or diarrhea, and skin rashes.

_____ I recognize that the Neighborhood Art House is following all CDC guidelines with regard to social distancing, wearing of masks, hand washing, use of hand sanitizer, screening children before they enter the building, and isolating persons who may have been exposed to the Covid-19 Virus. I accept full responsibility for the well-being of my child as I grant permission for him/her to attend classes.
